

Ogmore Vale Primary are support NSPCC Kindness Challenge

Monday 5th October – Friday 9th October

1. The week will kick off with a whole school assembly about what it is to be kind and the little things we can do daily to show kindness.
2. Pupils will take part in a range of activities which focus on Kindness in class throughout the week.
3. All pupils will be given a KINDNESS CARD (see below)

Kindness Pledges -As part of our focus on kindness, we are asking pupils to make **three simple pledges** showing how they can be kind to others. We have already completed the first pledge for every pupil:

"To make a contribution to the Harvest Festival." As it is Harvest time, we will once again be collecting donations for our local food bank. This could be something as simple as a non-perishable item, such as a tin of beans or a packet of pasta. Giving to those in need is a wonderful way to show kindness and support our wider community. Pupils can then decide on their own two additional pledges. These could be simple acts of kindness, such as:

- Holding the door open for others.
- Playing with someone who is on their own.
- Helping a friend with their learning.

Once a pupil has completed a pledge, they will need it signed by a member of staff. Pupils can tell us about what they did, and we will record that the pledge has been achieved. When all three pledges have been completed, pupils may, if they wish, bring in **£2.00** to purchase a **"You Have Made a Difference"** badge. All money raised will be donated to the **NSPCC**, a very worthwhile charity that supports children and young people.

As kindness is one of our school values, we want to emphasise just how simple it can be to make a positive difference through everyday acts of kindness. We hope the children enjoy taking part in this initiative, and we thank you for any encouragement and support you can give them at home.

Mrs Leanne Brown (Headteacher)
